

MIDSTREAM RIDGE LAERSKOOL PRIMARY EXCELLENTIA

From the Office

Dear Parents, Learners and Staff Members

Philippians 2:3-4 "Don't be selfish; don't try to impress others. Be humble, thinking of others as better than yourselves. Don't look out only for your own interests, but take an interest in others, too."

As we approach the end of yet another busy and meaningful school year, we would like to take this opportunity to sincerely thank each member of our school community for the role you have played in making this year a success.

To all our learners currently preparing for final-year examinations: We wish you strength, perseverance, and success. May your hard work and preparation bear fruit. Remember that success is measured not only by the marks you achieve, but also by the growth, resilience, and character you develop along the way.

A special word of appreciation to our parents and staff: Thank you for your selfless dedication, loyal support, and willingness to go the extra mile – often without hesitation. It is precisely through this collective effort, collaboration, and shared passion that we are able to create an environment where our children feel safe, happy, and confident as they grow.

Philippians 2:3-4 reminds us not to look only to our own interests, but also to the interests of others. This principle of service and care must be the foundation of our school community.

Use the holiday break to rest and recharge, spend quality time with loved ones, and gather renewed energy for the challenges and opportunities ahead in the coming year.

Thank you for being part of our school's story.

Warm regards

STEVEN SWANEPOEL

SCHOOL FEES 2027

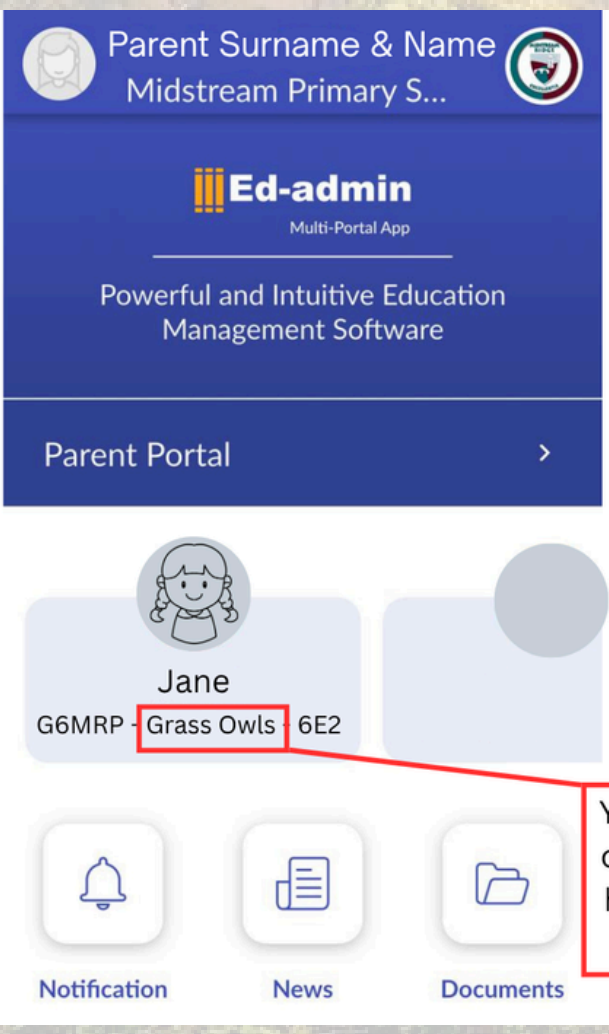
Alone, you can move faster – but together, we can go further.

LMRP STATIONERY OUTREACH

A school in Pretoria is in great need of stationery for its learners. We would love to help them get 2027 off to a good start!

We kindly ask you to donate any stationery items that might otherwise end up in the bin. All stationery is welcome, including half-used pencils, incomplete packs of colouring pencils, rulers, etc. A collection box will be available at Reception for donations. Alternatively, you are welcome to send stationery items to your child's register teacher.

We would also like to start a new tradition: Grade 7 learners who wish to do so are welcome to leave their pencil cases on their desks after completing their final examination.
Thank you in advance for this wonderful Christmas gift!



SPORTS HOUSE ALLOCATIONS

From 2027, learners will be allocated to new sports houses.
Learners' new sports house allocations are available on the Edana app and will be communicated to them.

The sports houses are:
Grass Owls (maroon),
Kingfishers (teal), and
Plovers (white).

Learners may continue to wear their existing sports house T-shirts during the transition period.
