MIDSTREAM RIDGE PRIMARY SCHOOL

MUSIC CENTRE – POLICY

1. LESSONS

- 1.1 Lessons are given during non-academic school periods (music, PE and art).
- 1.2 The teachers involved at the Music Centre, will give lessons at *Midstream Ridge Primary School* on allocated weekdays only.
- 1.3 There will be **30 practical lessons per year**.
- 1.4 Formal theory lessons will not be necessary for beginners, and will be presented by teachers during the normal music lessons. Theory classes will be presented independently, and although not compulsory, we would recommend these lessons for our advanced learners from Grade 4 to Grade 7. The Music Department will present **24 theory lessons per year**.
- 1.5 It is important for learners to have the relevant instrument on which they practise at school and at home as well, as there will not be progress without the necessary practice. In the case of violin, guitar and recorder lessons, the learners must bring these instruments to school on the relevant day. These instruments can be stored either in the Register teacher's store-room, in the music rooms or in the music classes on the specific day.
- 1.6 Reports on the learner's progress will be issued bi-annually (twice a year).
- 1.7 The lessons are very important and we undertake to do the best for your child. We do, however, expect your child to do the necessary preparations for each lesson.
- 1.8 As soon as the contract has been completed and sent back to Ms Baberet Botha, or a request has been made via e-mail (baberetb@midstreamridgeprimary.co.za), attention will be given regarding the placement for your child. He/she will receive a note with the relevant timeslot for the lesson, or you will be contacted by the music teacher personally.

2. ABSENTEEISM

- 2.1 Learners will only be excused from practical or theory lessons in exceptional cases and in cases where we've got a school function, i.e. Soap Box Derby, Photo Days, sport meetings during school hours, excursions, exams, etc. In the case of practical lessons, the music teacher can, with the parents' consent, arrange another timeslot to catch up these lessons, as long as it will not interfere with the school programme and only if there is a timeslot available on the relevant teacher's timetable.
- 2.2 In the **Foundation Phase** we request the Register Teacher to remind the learners of their music lessons. The music teacher will fetch the learners from their classroom for the first couple of lessons. It does happen that a teacher gets so involved with their lessons, they might neglect to remind learners of their music lessons. Should a learner forget to attend a music lesson, parents

will still be responsible for that lesson fee, as the agreement with the music teacher in advance is that your child attend a lesson at a specific time.

- 2.3 In the case of a child being absent due to illness, and the parent notifies the music teacher well in advance, that lesson can be rescheduled, should the schedule allow for this.
- 2.4 Occasionally professional responsibilities of the music staff during school hours and lesson time, results in the lesson being postponed. In such cases, the lessons will be rescheduled where possible.

3. FEES AND PAYMENT

- 3.1 Fees of music staff will be approved by Mr Harmse and will be adjusted annually.
- 3.2 Please note that the **annual registration fee and the teachers fee** (for lessons) ARE NOT PAID INTO THE SAME ACCOUNT.

An annual Registration fee of R354-00 per learner as well as R90 for a Music centre homework book and R90 for a Music centre t shirt, should be paid into the following school account:

(the total of R534-00 per learner for one instrument and R624 per learner for two instruments):

Bank:	ABSA
Account Name:	Midstream Ridge
Account Number:	4082 647 151
Code:	632005
Reference:	1300/010

NB: Teachers fee's to be paid into the teachers own bank account. They will send this information with their account each term.

Please take note that the registration payments can only be done at the beginning of a new academic year, i.e. from 01 January 2019. Proof of payment must accompany your contract.

- 3.2 **Music fees are payable within the first ten (10) days of each new term.** Fees **must** please be paid into the relevant music teacher's account within the specified time.
- 3.3 We request that our parents please adhere to the dates of payment. In case of "late payments", a penalty of **R50-00** per month will apply.
- 3.4 Should a learner not start his/her music lessons at the beginning of a term, parents will be liable for the whole term's fees, as there is always the possibility of catching up the thirty (30) lessons before the end of the year. Adjustments, if necessary, will only take place during the fourth term.
