No winter lasts forever; no spring skips its turn.

From the Office

"Winter is the time for comfort, for good food and warmth, for the touch of a friendly hand and for a chat by the fire" - Edith Sitwell

Winter is upon us; please ensure that the whole family takes the necessary vitamins to keep the bugs away.

Mrs Ilana Kruger decided that she would rather be a full-time mom. We will certainly miss her in the Afrikaans class, at the ATKV and next to the tennis courts. Mrs Carin du Preez continues in her position.

Please take note of the following aspects:

- ! It is important that each learner has his/her own stationery in class every day. Please check that your child packs the necessary items.
- ! It has come to our attention that learners like to drink the newly released *Prime* drink. It seems that this drink is not as healthy as the advertisers claim. According to reports, it has been banned in Australia. So you might want to think twice before allowing your child to enjoy it.
- ! We kindly request parents to talk to learners about visiting the shopping centre across the street after school hours. Please make sure it carries your approval. The school cannot take responsibility for learners who walk back and forth across the road after school hours.

Stay warm and safe. Good luck with all the activities planned for the term.

INFORMATION

AFTERCARE

The aftercare services end daily at 17:30. There is currently a trend for parents to pick up their children later than the official hours. We kindly request all parents to adhere to the closing times. Action will be taken against violators in the future.
