BETTER self.

From the Office

The safety of our children remains a high priority. The behaviour of our cyclists has recently come to our attention. We urge you to please discuss the safety and behaviour of cyclists with your children. Please ensure that your child wears a helmet. We urge cyclists to always be aware of those around them. If you have high school children, please also discuss with them the rules of cycling in and around our parking area.

We decided to give our learners a visual diagram of which staff member to go to if they have an issue to discuss. The structure will be discussed in class and will be visible on the notice boards and other areas in the school.

MUSIC CENTRE HIGHLIGHTS - TERM 2

As you might know, the first **PUPILS' CONCERT** for this year is scheduled for Saturday, 3 June 2023. The Hall, @RakkerCare, G14 (Me B Botha's class) as well as G17 (Mr JP de Villiers' class) will be used simultaneously by individual teachers from 8:00 to 12:00. Your child's teacher will inform you of their allocated venue and time slot.

Music is a performing art and therefore the aim of these small, intimate concerts are to create an opportunity for all music students to perform one piece or more in front of an audience, gain confidence and share their love of music with their parents and peers.

We are excited to tell you more about the **PROM'S EVENING** on Saturday, 3 June 2023 from 18:00 - 19:00 in the school hall.

We have many talented and very hard-working music pupils (as well as music teachers) playing a wide variety of instruments, who deserve to be showcased regularly and perform well-rehearsed pieces to a wider audience.

We will evaluate the response to our first Prom's Evening, and hopefully schedule at least one concert per term. Music teachers will enrol deserving pupils at their discretion.

The **TEACHERS' CONCERT** planned for Sunday, 11 June is therefore cancelled and will be combined with the **PROM'S EVENING** of 3 June.

RIDGE PRAYER GROUP

What we do:

We are a group of parents that are passionate about the spiritual well-being of our students and staff.

We believe in the power of prayer and it's our desire to support the school through praying for the kids and staff.

Throughout the year we also try and be an encouragement and blessing through random acts of kindness.

How can you be involved:

Join our in-person prayer meetings on the arranged Friday mornings where we pray together for the prayer requests received from staff or the prayer box at school or what God places on our hearts.

We also want to try and schedule at least one evening prayer opportunity for working parents per term.

Be involved with our random acts of kindness, through financial support or helping with preparations.

ALL PARENTS ARE WELCOME!

We want to trust that this will be a school where God reigns.

Please contact Anina Wagner to become involved
