Don't try to be better than others. . . . try to be better than you were.

From the Office

Thank you very much for everyone's support during August supporters month. We are very grateful to all who have contributed to make it possible to buy Nathan a mobile scooter. We look forward, with great excitement to once again see him in action.

A warm welcome to Mrs Marika Gräter, who is joining the foundation phase. A big welcome also to Melissa du Plessis and Charlize du Plessis, who recently joined the aftercare staff.

We look forward to working with these three ladies.

There are still tickets available for the combined cultural performances that will take place on 9 August at the Pretoria State Theatre. Feel free to support the Midstream schools at this great event. Please click on the link below for bookings:
