

To take a break may lead to a breakthrough.

From the Office

Dear Parents

Thank you very much for an incredible third term full of excitement, challenges, achievements and so much more. Please make sure that you and your child(ren) get enough rest during the holidays, so that this may lead to one breakthrough after another in the fourth term.

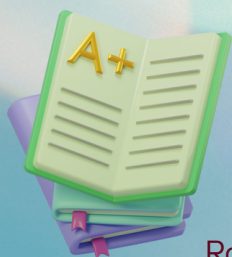

Good luck to our orchestra who will participate in the *SCST Symphony Orchestra Festival* in George this holiday. We wish them all the best, but above all, that it will be an unforgettable experience for every member. Travel and stay safe.
