## From the Office

The exams are finally something of the past. Many thanks to everyone who worked as a team to make it a success. We look forward to reaping the rewards of every little effort. The Intersen Phase learners will soon go on their annual tours. We trust that the programmes presented during these tours will be of value to every learner.

### RECYCLING AT MRP

We would like to remind parents about our Recycling Project at the school. It's that time of year when we prepare the house for the next year by getting rid of junk and unnecessary items.

The recycling company is happy to accept the following items:

-  All newspapers, old textbooks & workbooks
-  Plastic covers of books and files that are no longer in good condition
-  All used white paper
-  All other unwanted packaging materials and boxes.

If you have any queries about the drop-off point for these items for recycling, please contact Mrs Van Wyk at [chantellev@midstreamridgeprimary.co.za](mailto:chantellev@midstreamridgeprimary.co.za).
