From the Office

Dear Parents

The second term is over and the holidays are about to start. Winter is halfway through and spring is on its way! From any perspective, one thing is certain: NOW is the time to rest. Ensure your children switch off, relax and enjoy being children.

If you have the opportunity to travel for the holidays, please do so safely.

Good luck to the learners and staff participating in the hockey and cricket tours, as well as those involved in the Cricket Week which is hosted at school.
