From the Office

Dear Parents

With the start of a new, cold third term, I would like to take a moment to express my gratitude to all our learners who participated in tours this holiday or took part in sport activities. Thank you for keeping our school's name high. Thank you to all our parents for supporting our children and staff. This is definitely one for the memory bank.

Winter is in full swing, and we understand the importance of staying healthy. Disinfecting our hands is a good start to staying healthy and strong for a long time and in maintaining a positive learning environment.

Our outreach to CHOC was extremely successful and we thank our parents for their positive contributions. Thank you to our learners who participated with enthusiasm in the sock fun.

We welcome Mrs Elzaan Naudé, an old acquaintance, in Mrs Celesté Terblanche's place, as well as Mrs Luzanne Gresse in the Afrikaans Department.

Thank you again for entrusting us with your child's education. We look forward to a productive third term.
