Farewell 2025...
Welcome 2026!

From the Office

Dear Parents, Staff and Learners

It is my privilege to warmly welcome you back. I hope and trust that you experienced a blessed Christmas. I believe that this time brought families closer together, and allowed for meaningful, quality time.

There is a buzz of excitement at school, and everyone seems enthusiastic about 2026. A very warm welcome to all our new Ridge learners and parents.

“Together we move mountains!”... our theme for this year.

With the Lord's Grace from above, *Midstream Ridge* will certainly reach new heights. It is wonderful to experience how God blesses us every day with His loving kindness, especially with all the rain we received so abundantly during the recent holiday. May we never take His indescribably great Grace for granted.

I would like to conclude by wishing every family prosperity for 2026. May you experience abundant blessings throughout the year.

You are warmly invited to our first opportunity to join hands, meet new friends, and start the year on a high note. Please join us @RakkerBraai on 16 January, for the parent braai at 17:00.

With God's blessing

Mr Nico Loggenberg
Headmaster

We kindly request that learners who are not participating in extracurricular activities are collected by 14:00. Learners who are at the gate after 14:00, will be taken to the afterschool and the daily fee will be deducted from your school account.

Thank you in advance for your cooperation in this regard.

ROAD SAFETY AROUND THE SCHOOL GROUNDS

The safety of our learners is our **priority**.

There is increased traffic activity during the start and end times of the school day. This creates potential risks for our learners, especially when traffic rules are not adhered to or when children are not properly escorted.

We therefore appeal to all parents and guardians to strictly adhere to the following guidelines:

Adhere to speed limits around the school - drive slowly and carefully.

Use only designated drop-off and pick-up areas - do not park in illegal parking spaces.

Do not stop in the middle of the road for a quick drop-off.

Children and parents must cross the road only at marked pedestrian crossings.

Be mindful of security guards and school staff who help ensure safety.

Do not talk or type on cell phones while driving.

We will raise road safety awareness among learners through educational activities, assembly sessions, and collaboration with local authorities.

Thank you for your cooperation and for the role you play in protecting our children.

Together we can create a safe environment around the school.
