

From the Office

Dear Parents

It is a great joy for me to warmly welcome you all back at the start of the second term. We are grateful that the Lord has kept us safe during the holidays and that we can be together again, refreshed and ready. The excitement at our school is running high!

A major highlight is that our new astro field is now complete. What was a dream for so long has finally become a reality, and with it comes new opportunities for coaching, teamwork, and sporting development for our learners. This truly marks the beginning of a season of renewal and growth.

The value of new beginnings lies in the hope they bring, the opportunity to set new goals, and the chance to learn and improve. A new beginning gives us the opportunity to correct mistakes, build character, and grow closer together as a school community.

A fitting quotation that reminds us of this: "Behold, I make all things new." (Revelation 21:5)

May every learner who takes part in hockey and netball this new season experience great joy. I sincerely believe they will step onto the field with even greater pride. May everyone's participation and support further enrich the spirit of our school.

Let us work together to make this term something truly special.
Kind regards,

NICO LOGGENBERG
