

# From the Office

Dear Parents and Staff

On Mother's Day, we express gratitude for the wonderful role that mothers and mother figures play in our lives. Just as Mother Earth cares for us every day with her beauty, resources, and life-giving power, mothers care for their children and families with love, patience, and sacrifice.

The Earth nourishes, protects, and provides space for growth, and mothers do the same. They plant seeds of hope, teach us to stand strong, and remind us that love is often found in the smallest acts: an encouraging word, a warm hug, or a quiet prayer.

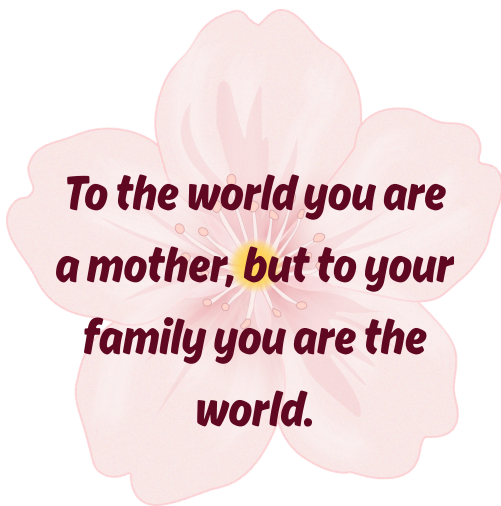

This Mother's Day, we celebrate not only what mothers do, but who they are—people who shape hearts, encourage dreams, and create safe homes where children can flourish.

May we make every mother feel special today and acknowledge, with grateful hearts, that your love makes the world a more beautiful place.

Happy Mother's Day to all our wonderful mothers!

With kind regards,

**NICO LOGGENBERG**
