From the Office

Dear Parents, Staff and Learners

Welcome to the start of the third term! As we begin this term, I look back with gratitude on my first year as Principal of LMRP. It fills me with deep gratitude to see how far we have come and to experience the Father's daily grace through the opportunities, strength and unity He so generously grants us.

I am especially proud of the progress we have made in upgrading our facilities. These improvements have not only made our school environment safer and more inviting, but have also created greater opportunities for participation and a stronger sense of community. The smiles in our corridors and on the playground during break are a testament to the positive atmosphere that prevails at our school. This has been made possible through the unwavering support and partnership of every parent, every member of staff and, of course, our learners themselves.

This brings me to my message:

Life passes by so quickly. We need to remain mindful of the present moment and to treasure the precious time we share. May we enter this term with sincerity and purpose, creating more lasting memories together – in our classrooms, on our sports fields and playgrounds, and in our homes. Your involvement and support remain invaluable; they truly make a difference in the lives of our children.

"Every day you have the opportunity to change someone's day." How do others feel when they are in your presence? Choose kindness and be fully present – those are the things people remember.

Thank you for your continued support and commitment. May we continue to grow together and create meaningful memories, all under the Father's grace each day.

With sincere regards and every blessing for the term ahead.

Grade 3 Learners – Get a Head Start!

If you are currently in Grade 3 and are interested in trying hurdles or long jump, August is the perfect time to get one step ahead. Our sessions focus on entry-level drills, fundamental techniques, and building confidence, providing young athletes with the ideal foundation before the official pre-season begins.

SCHOOL UNIFORM - TERM 3

- Learners may wear either their formal winter uniform or tracksuits from Monday to Thursday.
- On Fridays, and on any other days when formal assemblies or prize-giving ceremonies are scheduled, learners are required to wear their formal winter uniform together with their school blazer. Tracksuits may not be worn on these occasions.

The official date for the changeover to the summer uniform will be communicated shortly.
