# From the Office

Dear Parents and Learners

As we draw the third term to a close, I would like to express my sincere appreciation to our learners, staff and parents. Thank you for the hard work, the dedication and the support. This term has brought many highlights, whether on the sports field, in the classroom or in the cultural arena. Congratulations to everyone on every achievement and milestone.

Now is the time to catch our breath and to rest with purpose.

***"When the mind grows weary, rest is not idleness - any more than sleep is idleness."***

***~ Charles H. Spurgeon***

With a busy fourth term ahead, it is important that we once again focus deliberately on balance. Rest is not time lost; it is time in which we recover, gain fresh perspective and build up new energy. Please make time for family, for quiet moments, for laughter, and for the things that refresh the heart and mind.

May every family enjoy a safe, restful and meaningful holiday. Enjoy quality time with your loved ones, and to all who are travelling, may you travel safely on the roads, wherever your journey takes you.

We look forward to welcoming everyone back for the fourth term at Laerskool Midstream Ridge Primary, rested, clear-headed, full of fresh energy, and with the resilience to finish the year strong.

Kind regards

# Recycling

**AT LAERSKOOL MIDSTREAM RIDGE PRIMARY**

We are excited and proud to announce that Laerskool Midstream Ridge Primary has launched a school-wide recycling project!

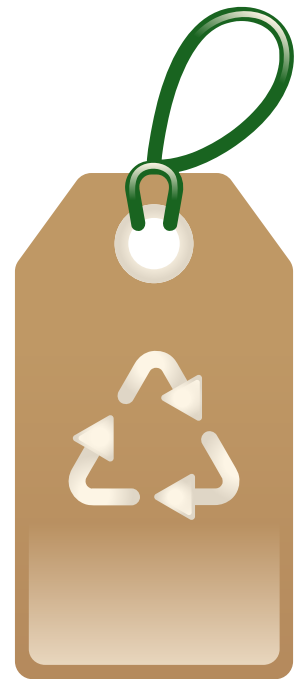

We believe that education goes beyond academic subjects and sport. We also strive to equip our learners with important life skills and a sense of environmental responsibility.

Through this initiative, we aim to teach our learners the basics of recycling and encourage them to make a positive difference by recycling paper, plastic and tins.

To support this project, we have placed 12 clearly labelled recycling bins around the school, making it easy and convenient for our learners to recycle.

We hope that this initiative will have a lasting impact by encouraging our learners to develop lifelong recycling habits and inspiring them to care for the environment.

Together, we can make a difference and do our part to protect our planet for future generations!

Recycle today  
for a greener  
tomorrow!
